# SPONSOR A HORSE BULLET

## ABOUT BULLET

Bullet is a sweet boy that has shown grit and resilience through the many challenges in his life. He teaches us to never give up, communicate our feelings, and keep our boundaries. He loves peppermints and horse treats. Bullet was hit by a drunk driver years ago in a pasture before he came to Riverside Ranch. He has scars on each leg and severe arthritis from the accident. He later suffered a meniscus tear in 2022. Bullet is unable to be ridden, but enjoys horsemanship activities to help those with special needs and individuals walking through grief.
