BEAR

ABOUT BEAR

Bear is a sweet, quiet, more introverted horse who has an extremely kind soul. He worked as a cart horse with his brother, Benny, before coming to the Ranch. Bear is a very honest and true horse to work with. Bear looks like he has a little happy grin all the time. He was also ridden by children in his previous career. He enjoys the slower pace and the community at the Ranch. Bear helps individuals with special needs and those navigating grief in our Adaptive Horsemanship Programs and Day Retreats. We are so thankful to have Bear as a part of our herd!
